e-Leadership and e-Skills

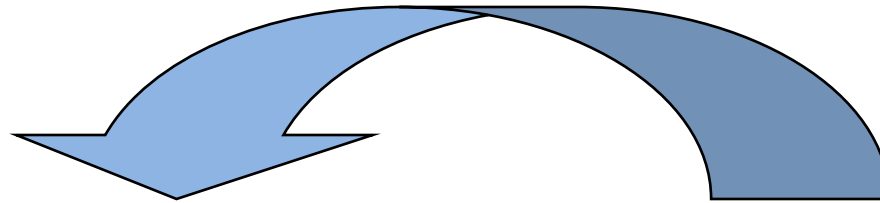

Dr. Tawfik Jelassi
Dean and Professor

Fostering e-Leadership Skills

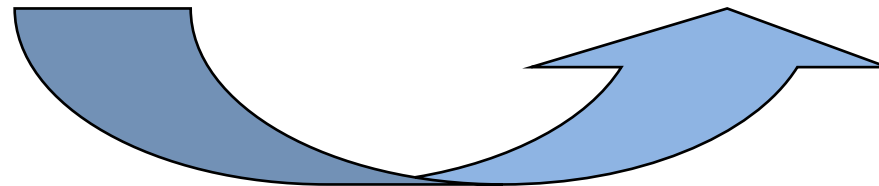

- It's a SMAC environment out there !
- Software eats the world.
- The customer company is becoming the market differentiator.
- The CIO is becoming Chief Influence Officer.
- Education is being disrupted (through MOOCs, SOLEs, etc.).
- We need education for self-employment, not just for employment.

How can ICT capabilities support
business strategy?

ICT Capabilities

Business Strategy

How can business strategy be created/transformed
through ICT?

Future Role and Contribution of ICT
